

# Town of Drummond Newsletter

Dec 2025 & Jan 2026

## **December Updates**

We had a very warm Christmas break! Cross Baptist Church, UCC Church, Salem Methodist Church hosted the lighting of the Town Christmas tree with ornament decorating and cookie decorating at town hall. Sei Bella supplies all the children with goodie bags to take home. They had a wonderful turnout for the event.

## **Fire Department News**

Breakfast with Santa with Drummond Fire was a hit for the 2<sup>nd</sup> year in a row! Santa made his way to the fire station with the help of our fire crew. Pancakes and sausage were served, and fun was to be had.

We would also like to give a HUGE thank you to Kent and Maureen Cook for donating two chainsaws to our fire department! We were delighted to receive such a wonderful gift that will continue to improve our department! It was a Merry Christmas to Drummond Fire.

## **January Updates**

The Town of Drummond is so excited to announce that we have been awarded REAP funding for 2<sup>nd</sup> phase of the Stormwater Drainage Improvement Project. The amount funded is \$125,000.00 as well as local funds to complete this project. We will be working hard in the next coming months.

## **Snowstorm of the Season**

Jan 23<sup>rd</sup> snowstorm brought 9 inches to snow to our small town! School was cancelled for Monday January 26<sup>th</sup>.

Thank you, Garfield County Commissioner, as well as County workers for helping clear

snow, so that our residents were able to get out and about!

## **Rig Grant Submittal**

The Town of Drummond has submitted a request for a RIG grant to help replace a waterline that broke last month on Nebraska Street. The line is very old and needs replacement. The Town had taken bids on the project, and the amount was around \$30,000.00 to replace the line. We have fixed it for the time being and closely monitor it till we are able to replace the pipe fully.

We plan to start this project this spring.
