October 2025

Drummond Day Success

Drummond Day was held on October 4th. We had an awesome turnout with 38 cars registered for the Car Show.

We sold out of Large Lucky Ducks this year. Some of the bigger winners this year was Terry Vaughn, He won the Pit Boss Smoker donated by Lowe's and Robert Overstreet from Enid won the Blackstone grill.

Thank you Build and Celebrate for bringing out the bounce houses I'd say they were a hit with the kids.

The Fireworks! Conan Vaughn did an amazing job organizing and shooting them off. Acid Tank Leasing purchased all the fireworks this year. So, a BIG THANK YOU TO THEM!

We made \$ 7,718.77 this year. The Drummond Day Committee would like to finish the basketball court by adding more goals and possibly a fence. We would also like to get new surfacing in the play area. We will be working on the next phase soon.

Drummond Fire Department

Drummond Fire also had a successful night with a band and dinner. The Peachtree's performed at 7pm while everyone enjoyed the pork dinner with potato salad and beans. Jermy and Shelly Messall did an amazing job on dinner and Fire Dept Men. Big Thank you to the Methodist ladies for providing desserts. What an amazing night with the community!

Drummond Historical Society

The Drummond Historical Society would like to thank the Drummond Community for a wonderful Drummond Day. We were able to raise the funds needed to keep the museum open and free to the public.

We have an event coming up on November 11th from 11:30-2:00. We will be using funds donated by ONEOK to honor our veterans by providing a free hamburger lunch for all those who come by the museum that day.

We will have displays from every war and veterans from various wars will be there as well.

Richard Goldberg from Kansas will be sharing his collection of war memorabilia as part of the exhibit. The collection is really something to see!

Lunch is available to every in the community. Kent Cook has graciously agreed to cook the hamburgers for us and if you have tried one of his hamburgers you absolutely need to!

Finally, I would like to thank Linda Allen and her group for coming to the Museum. I was able to share the history of Drummond through a presentation on the Bank of Drummond.

I will also be providing a presentation on Little Nick for Elaine Johns and the Prime timers from The First Baptist Church in Enid on the 16th of October. These small group presentations always created the best discussions. As always, we look forward to seeing you at the Museum!

Stormwater Drainage Improvements

Jag Underground has been hard at work getting our new pipes put in for drainage improvements in town. The areas that were worked were:

Oklahoma & Choctaw
Oklahoma & Broadway
Cheyenne & Nebraska
Nebraska & Choctaw
Nebraska & Broadway (2)

Nebraska & Cherokee- Also with a new ditch as well as sidewalk replaced.

Drainage improvements by the Railroad track on Cheyenne with also fixing the asphalt from water erosion.

A new grate drain was put on Main Street across from Town Hall. Not included in the

grant but paid for by Capital Improvement Funding. Illinois & Cheyenne also received a new pipe due to 80% of that drain being collapsed. It was necessary to make the improvement before the next grant season. Sod was also added to each area. Jag did a wonderful job on this project! The full cost of completion was \$121,829.00

2025 AUDIT

The Town of Drummond 2025 Audit has been completed by Russell and Williams CPA. If you would like to view our audit you may do so online with the State Auditors Website. Our auditor was pleased with where the Town of Drummond is standing.

2025 REAP APPLICATION

The Town of Drummond will be submitting another REAP application into NODA for the 2nd phase of Stormwater Drainage Improvements our deadline for that submittal is October 31st.

TRUNK OR TREAT and TRICKER TREATING

Trunk or treat will take place on Main Street with a hot dog dinner donation inside Town Hall on October 31st. Main Street will be blocked off from Broadway to Osage from 6:00pm-7:30pm. Door to Door will also take place the same night! If you are participating, please turn your porch light on. If you are participating in trunk or treat, please park on Main before 5:30pm if possible!
